WHAT IS MENTORING?

A non-judgmental, developmental partnership through which a more experienced person (the mentor) shares his/her knowledge and skills to support someone else (the mentee) in achieving his/her personal and professional goals.

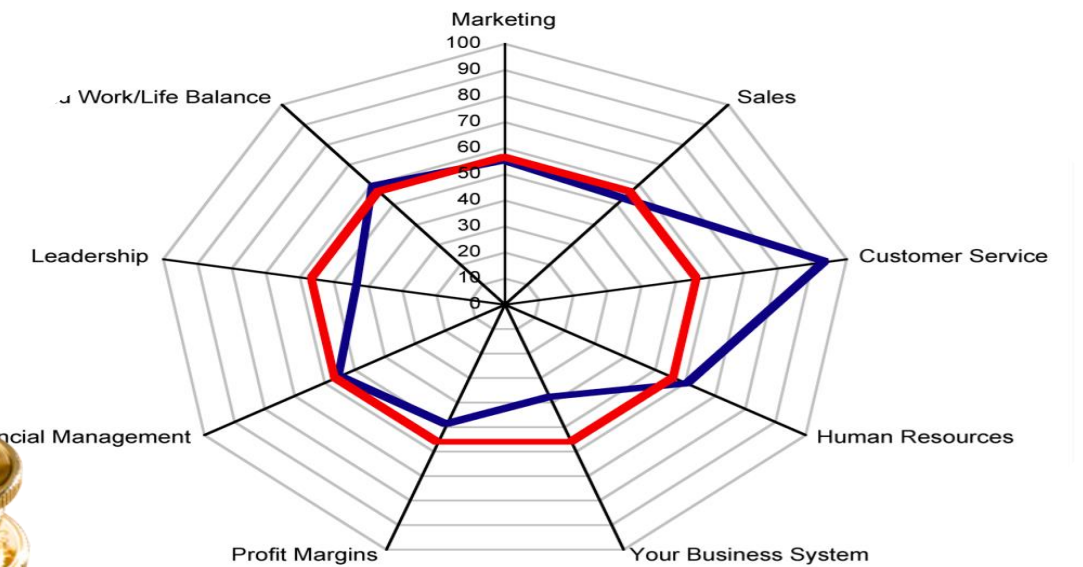

MENTORING VS COACHING

Mentoring

Coaching

MENTORING & COACHING: SIMILARITIES

- ◆ Partnerships between equals
- ◆ Supporting mentee to clarify his/her objectives and achieve his/her goals
- ◆ Broad range of issues, personal and professional
- ◆ Responsibility for own learning is with the mentee
- ◆ Basic skills are the same: building a rapport, listening, questioning, ...

STREAM PROGRAMME MISSION

- ◆ Raise awareness of what mentoring is and how it works
- ◆ Establish formal mentoring relationships
- ◆ Provide tools, expertise and support to improve the quality of mentorship
- ◆ Help you find the right partner mentor/mentee
- ◆ Support is provided throughout your mentoring program
